**1. REDUCTION OF DEPUTIES**

Supervisor Stumbo stated the full-time officials had met with County to discuss amending the Police Services Contract by reducing the number of deputies by seven. It was first thought there would need to be a reduction of ten deputies but with certain cuts, the Township could pick up three positions without using fund balance.

She said if the Board agreed, the Commissioners would take the request to amend the contract to their Board. Sheriff Clayton planned to absorb the other seven positions by adding them to the countywide patrol. She asked for the Board's consideration to add this item to the agenda under Other Business. The Board agreed.
