Secs. 48-50—48-80. - Reserve

RESOLUTION NO. 2013-35

Whereas, there have been a number of fires in rental single family dwellings which have resulted in major structural damage; and

Whereas, there have been an increasing number of fire damaged rental homes that have no insurance to cover the rehabilitation or demolition needed after a major house fire; and

Whereas, a growing number of landlords are choosing to walk away from fire damaged rental homes due to the lack of homeowner's insurance and the cost of repairing the fire damage; and

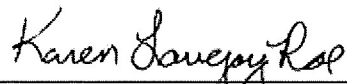

Whereas, when property owners without insurance choose to abandon fire damaged homes, the entire neighborhood is negatively impacted by the presence of the fire damaged structure; and

Whereas, requiring landlords of single family and duplex family rental properties to provide proof of insurance as a requirement before obtaining a rental Certificate of Compliance will decrease the number of fire damaged properties abandoned by the owners due to the absence of insurance coverage; and

Whereas, Ordinance 2013-433 requires all landlords prove proof of insurance coverage against loss or damage to single or duplex family residential units before a Certificate of Compliance will be issued by the Township.

Now Therefore, Be it resolved, that Ordinance No. 2013- 433 is hereby adopted by reference.

I, Karen Lovejoy Roe, Clerk of the Charter Township of Ypsilanti, County of Washtenaw, State of Michigan hereby certify the above resolution is a true and exact copy of Resolution No. 2013-35 approved by the Charter Township of Ypsilanti, Board of Trustees assembled at a Regular Meeting held on January 21, 2014.

Karen Lovejoy Roe, Clerk
Charter Township of Ypsilanti
