## Modern Day Martial Arts

30+ years of experience as a student, competitor, coach, and instructor, combined with classroom teaching, curriculum, and an understanding of child development has led to the development of this style rooted in the traditional Korean martial art "Tang Soo Do" ("The Way of The Empty Hand to Block and Strike"). These roots branch out to (Chinese) Shaolin, and (Japanese) Goju Ryu, (Brazilian) Jujitsu, and (American) Boxing. Our art emphasizes both inner and outward growth, (self) discipline, power, control, a wide variety of blocks, strikes, and kicks. You will also learn practical and effective self-defense, how to deal with bullies, self-confidence, a little Korean, and some cool tricks. There is a class that's just right for you and/or your loved ones. Open to all ages 4 and up. Now 7 week sessions instead of 6!
