Washtenaw County Millage Rates

The millage rate for Washtenaw County shown on your tax bill is an aggregate of the various millage rates that are established by law or authorized by a voted millage.

Summer Tax Bill: The County tax portion of the Summer Tax bill is solely County Operating Taxes. This millage represents the entire operating millage established by State law, not to exceed 5.5 mills. It is listed on the Summer Tax bill only and is distributed directly to the County for public services.

Winter Tax Bill: County operating tax is not included on the Winter Tax bill. All voted millages for the County are levied on the Winter Tax bill.
