RE: Plan to Plan Meeting for Ypsilanti Township Master Plan Update

We are delighted to be working with you to update the Master Plan for the Charter Township of Ypsilanti. We will be meeting with you on Tuesday, September 29, 2026 to introduce the process and assess priorities for the update of the Master Plan adopted in 2020.

We have attached the following for your review and discussion:

- **Schedule:** The attached schedule documents what has occurred since the start of this project in June and the anticipated dates of upcoming work. The schedule can be adjusted.
- **Vision, Mission & Goals:** We would like your opinion as to whether the vision and mission still describe the future you see for Ypsilanti Township. Also, we would like your input as to whether the goals – grouped under the themes of Neighborhoods, Jobs, and Places – express what the Township should do. In our August meeting with staff and full-time elected officials, we were asked to draft sustainability goals for infrastructure, natural features, and tax base. We also encourage you to review the current Ypsilanti Township Master Plan on the Township website at [Ypsilanti Township 2040 Master Plan](#).
- **Demographics:** Attached are population, economy and jobs, housing and environment and land use reports for Ypsilanti Township from SEMCOG's Community Profile. We will highlight data from these reports in our presentation next Tuesday evening.

We look forward to meeting with you next week! In the meantime, we are happy to answer any questions.

Sincerely,
